

## Custom Cabinets

The main gathering point in any home is the kitchen. What better than to have a warm, receptive, inviting room to share life's moments in? The kitchen of your dreams is not far away.

At Columbia Cabinets Northwest, we can give you a detailed cabinet bid and drawings with just a floor plan. With many customizable options you're sure to get the kitchen or vanity of your dreams. If you've seen it, read about it or dreamed it, we can probably find a way to do it.

Each room is drawn to precise custom measurements so your job looks like every cabinet belongs where it is. No modular cabinets here! Let us bid your next job today!
